### COMMUNITY

#### Tech events

I am a *codebar* **moderator** (virtual codebar) and **organiser** (codebar London). I attend tech meet-ups and conferences

**Blogging** [dev.to/ruthmoog](https://dev.to/ruthmoog)

I share my voice and quantify my development progress on my blog

#### Open Source

I make contributions to open source tech including Makers, Odin Project, and Learn Go With Tests

#### Mentoring

I was a mentor at *Makers*, led a team at *BMC*, and trained as a mentor in 2013
